Infotheca – a Jornal of Information and Library Science

The screenshot shows the homepage of the Infotheca website. The header features a stylized globe icon on the left and the journal's logo and name "INFOtheca Journal of Information and Library Science" in the center. The main content area has a white background with orange sidebar navigation. The sidebar includes links for "Infotheca", "Publisher", "Editorial Board", "Guidelines for Authors", "Rights of Usage", "Contact", and "OPEN ACCESS". The main content area contains text about the journal's focus, publication type, distribution, and subscription information. On the right, there is a sidebar with "in preparation", "latest issue", and "archives" links, and a vertical list of years from 2012 down to 2004.

INFOtheca
Journal of Information and Library Science

INFOTHECA

Journal of Information and Library Science is professional journal published by the Serbian Academic Library Association (ZBUS) since 2000.

It publishes papers on the application of information technology in librarianship and the scientific information and communication, the impact of information technology on modern development of academic and special libraries, as well as new knowledge in library and information science.

The journal publishes scientific, technical and review papers.

Magazine is delivered to members of the Association.

Subscription for libraries and institutions that are not members, as well as individuals, is also possible.

It is published twice a year and distributed to subscribers on paper, and is available in Open Access on SALA's website.

Инфотека – часопис за информатику и библиотекарство

The screenshot shows the homepage of the Infoteka journal website. The header features a stylized globe icon on the left and the journal's logo with the title 'ИНФОтека' and subtitle 'Часопис за информатику и библиотекарство' in the center. On the right, there is a decorative graphic of overlapping squares. Below the header, the main content area has a light gray background. In the top right corner of this area, there is a search bar with the placeholder 'Напредна Претрага' and a back arrow icon. To the left of the search bar, the word 'ИНФОТЕКА' is written in large, bold, dark blue capital letters. To the right of the search bar, there is a vertical sidebar with three colored boxes: blue at the top, green in the middle, and orange at the bottom. The blue box contains the text 'број у припреми' with a left arrow icon. The green box contains 'последњи број' with a left arrow icon. The orange box contains 'архива' with a left arrow icon. The main content area contains several sections of text and links. On the far left, there is a vertical sidebar with language options ('ћирилица latinica english') and navigation links: 'Инфотека' (with a green arrow), 'Издавач' (orange), 'Редакција' (blue), 'Упутства за Ауторе' (green), 'Права Коришћења' (orange), and 'Контакт' (blue). At the bottom left, there is a blue box with the text 'OPEN ACCESS' and a white open padlock icon.

ИНФОТЕКА

Часопис за информатику и библиотекарство је часопис издавача Заједнице библиотека универзитета у Србији (ЗБУС) који излази од 2000. године.

Објављује радове о примени информационе технологије у библиотекарству и о научним информацијама и комуникацији, утицају информационе технологије на савремени развој високошколских и специјалних библиотека, као и о новим знањима у библиотечкој и информационим наукама.

Часопис објављује научне, стручне и прегледне радове.

Могућа је претплата библиотека и институција које нису чланице, као и појединача.

Излази два пута годишње и дистрибуира се претплатницима на папиру.

Неколико речи о...

- Излази већ 14 година
- Отвореног приступа
- Последњих година сви радови се рецензирају – рецензенти су еминентни домаћи и страни стручњаци
- До сада су објављивани радови из:
 - Ex-YU (Словенија, Хрватска, Македонија)
 - Регион (Аустрија, Бугарска, Румунија, Мађарска, Италија)
 - Европа (Француска, Немачка, Польска)
 - Света (САД, Бангладеш, Филипини...)
- Прилози – DVD (Open Office), ММД

У будућности

- Нова организација, нови уређивачки и научни одбор
- Нови суиздавачи
- Нови сајт с могућношћу on-line пријаве радова
- DOI за све радове
- Промена поднаслова: *Journal for Information and Library Sciences* у *Journal for Digital Humanities*

Циљ коме тежимо

- Побољшање квалитета
- Већа учестаност излажења
- Повећање видљивости часописа
- Повећање цитираности радова
